

Queensland Wind and Brass 2023 Membership Information

Queensland Wind and Brass (QWAB) was formed in December 1989 and arose from a need for a high standard musical group for post-secondary musicians. The group consists of amateur and professional woodwind, brass and percussion players in Year 12 and upwards, and is run by the players themselves.

Application for membership is welcome from woodwind, brass and percussion players, however numbers are limited in each section. While QWAB is un-auditioned, it performs at a high standard, so a **minimum standard of AMEB Grade 7 or equivalent is strongly encouraged.**

New members will be subject to a trial period and may need to demonstrate their ability.

If you are interested in becoming a member of QWAB in 2023 please complete the membership form and email it to membership@qwab.com.au after reading the information below.

Players' Handbook and Code of Conduct

All members of QWAB are required to abide by the information contained in the Players' Handbook and Code of Conduct. If you are interested in joining QWAB in 2023, please email secretary@qwab.com.au to request a current version of the handbook. Please read through it before submitting this form.

Important Stuff

- I declare that the information shown above is correct. I have read the current membership information sheet.
- I have read, understand and agree to abide by the contents of the Players' Handbook and Code of Conduct. This includes volunteering at performances throughout the year as requested.
- I understand that involvement in QWAB is a serious commitment and understand that attendance to rehearsals and performances is essential. So that QWAB can maintain a high standard, I understand that if I can't make sufficient rehearsals, or if I can't play the music to the band's standard, I may not be able to participate in the relevant concert.
- I agree to notify the band secretary of any absences from rehearsals and performances in a timely manner.
- I understand my image may be used by QWAB (eg. QWAB YouTube videos / website images / Facebook page). QWAB won't identify individuals by name.
